Safety precautions / Warning!

- Always read and follow operation instructions.
- Never charge the unit in intrinsic safety zone.
- Opening the housing of the units will invalidate the Ex-rating, voids warranty and may result in hazardous light exposure.
- All repairs must be done by Easy-Laser main service center.
- Only use the included Easy-Laser charger.

Laser warning

Easy-Laser® is a laser instrument in laser class 2 with an output power normally less than 0.9 mW, which requires the following safety precautions:

- Never stare directly into the laser beam.
- Never aim the laser beam at anyone else's eyes.

Always read the safety instructions in the main manual before using the measurement system.
